Baghera/wines

A few words...

Thinking outside the box, opening wines that touch our senses, eating well and being surrounded by people who share our passion. This is what has brought us together for the past three years of collaboration during wine auctions with Baghera/wines.

After several exceptional auction dinners, we jointly wished to offer you a different version of these famous moments. We are therefore delighted to propose you to join us for our first “*Dîner particulier*” on November 27th 2022 at Ma Cuisine Singapore.

For this format, no line-up but an iconic & ephemeral Baghera/wines wine menu composed of the greatest winery and vintages present in the *Moonlight* auction broadcasted live.

This is a great opportunity to taste wines that interest you the most or to take advantage of this moment to discover wines that you may never have tasted before, all accompanied by a menu specially created for the occasion by Mathieu Escoffier or to share some of the most famous Ma Cuisine dishes “*à la carte*”.

One more thing: our two entities cannot hide their deep affection for Burgundy. From this region, an annual event is particularly close to our hearts – *La Paulée*. Once a year, wine lovers gather to share discussions, laughter and wines, each bringing their best bottles to share with others. A beautiful way to gather. We encourage you to do the same on November 27th and share the wines selected from the wine list with the other tables of the restaurant.

Have a lovely evening and good luck with your bids!

Mathieu Escoffier, Anthony Charmetant & Arthur Leclerc
