Geneva, May 4, 2026 – After announcing last week the celebration of its 10th anniversary, as well as an exceptional day of sales to be held on May 10 in Geneva at the renowned *Lion d'Or* restaurant in Cologny, Baghera/wines today unveils the flagship lots set to take center stage. Already highly anticipated, this anniversary date will bring together two complementary events: *Prelude* in the morning, followed by *Heartbeat* in the afternoon – a charity-focused direct-from-estate sale that will embody the emotional highlight of this celebration.

Baghera/wines

Just days before the hammer falls, Baghera/wines unveils four exceptional lots that are expected to capture the attention of collectors from around the world.

kipling #15 Prelude – morning sale may 10

Starting at 10am CEST, *Prelude* will bring together wines of outstanding provenance, selected for their rarity and immediate appeal.

top lots

Lot 210 — Château d'Yquem, Lur-Saluces, 1926 — Already 100 years old, this benchmark reference is sought after for its purity, aging potential and rarity.

Lot 78 — Domaine de la Romanée-Conti, Romanée-Conti 2015 — A mythical bottle from a great vintage also celebrating its 10th anniversary, symbolizing a market increasingly attentive to the finest signatures.

kipling #16 Heartbeat – afternoon sale on may 10, dedicated to “direct from estates” offerings and charity

At 2 pm CEST, *Heartbeat* will bring the full scope of this anniversary day to life. A charity-focused, direct-from-estate sale, it will feature lots specially entrusted by emblematic estates, in a spirit of generosity, heritage, and excellence. *Heartbeat* will offer unique creations, rare formats, and a singular opportunity to acquire some of the jewels of France's wine heritage.

top lots

Lot 7 — Domaine Leflaive, Chevalier-Montrachet 2015 in jeroboam — An exclusive lot offered directly by the estate for this anniversary sale... a format virtually unavailable on the market, in support of a noble cause.

Lot 60 — Domaine Méo-Camuzet, Richebourg 1970 — A singular lot set to leave a lasting impression at auction, vinified by the great Henri Mayer and carefully cellared ever since by the Méo-Camuzet family.

True to its commitment to the wine world and to charitable causes, Baghera/wines is partnering with the charitable initiative of the *Association 12 de Cœur* and will donate 100% of the proceeds from the sale to *Les Restos du Cœur* and the *Fondation Reload* by Niki Pirker.

Through these flagship lots, Baghera/wines reaffirms what has defined its singular approach for the past ten years: impeccable provenance, a keen sense of storytelling, and the ability to transform each sale into a moment of emotion.

“A great sale is not simply about bringing together rare bottles: it celebrates the legacy of estates, the craft of winemakers, and the transmission between generations of collectors. At Baghera/wines, we wanted this anniversary sale to combine excellence and generosity. Pairing remarkable lots with a session dedicated to charity gives this day a very special meaning.” Michael Ganne, Founder of Baghera/wines and auctioneer for the sale.

about baghera/wines, experts in exceptional wines

European leader in rare wine auctions based in Geneva, Baghera/wines offers a new approach to auctions of exceptional vintages by placing conviviality and sharing at the heart of their events. For the past five years, Michael Ganne and the team of passionate experts he has surrounded himself with have developed a bureau dedicated exclusively to rare wines, and which guides collectors in all aspects of enhancing the value of a collection.

In 2018-19, the historic auction of Henri Mayer's personal cellar, to date the world's most important wine auction ever (CHF 34.5M), followed by an unprecedented auction exclusively dedicated to the wines of the Domaine de la Romanée-Conti and then by the final bottles from Domaine Bouchard Père & Fils, propelled Baghera/wines to the position of European leader in wine auctions.

The experienced team working with Baghera/wines' experts offers excellent tailor-made professional advice to international collectors passionate about rare fine wines including the organization of masterclasses, as well as careful selection of wines for private tastings, dinners and events combining music and wine. In September 2020, Baghera/wines officially inaugurated its new Geneva establishment, incorporating a private club and boutique dedicated to fine wines, within the Beau-Rivage hotel, Geneva. In October 2022, the company further developed its activities in Asia, with the opening of Baghera/wines Singapore Ltd. The entity began holding physical and online auctions in Singapore from December 2022. In 2023, Baghera/wines France was set up to organize auctions in France, and a second club dedicated to collectors and events was inaugurated in Nuits-Saint-Georges.
