Geneva, March 21, 2025 – Baghera/wines is honoured to present a rare and fascinating auction that will take place on April 11, 2025: Kipling #10 *Legends – The 20th Century in Bottles* – a unique collection of unparalleled quality and provenance. A true journey through time, this selection highlights the greatest vintages of the 20th century, carefully gathered by a passionate collector. A total of 288 lots will be offered, covering a wide range of fine wines from 1865 to 1982. With an impressive diversity, this event is part of the exceptional quarterly auctions that Baghera/wines has been organizing for over two years.

a memory

All from a single-owner collection, each lot tells a story, each bottle represents an era, and each vintage evokes a memory. Among the wines offered, discover the great cuvées from the 1910s, 1920s, 1930s, 1940s, 1950s, 1960s, 1970s, and 1980s. In this exceptional auction, the great wines of Burgundy come along with the prestigious Bordeaux crus, united by a common denominator: they were all produced during the 20th century. Among them are estates and appellations as sought-after as: Liger-Belair, Prosper Maufoux, Bouchard Aîné, Drouhin, Morin, Noëllat, Lupé Cholet, Louis Latour, Lafite Rothschild, Mouton Rothschild, Haut-Brion, Latour, Yquem...

These wines, meticulously stored, come from a cellar that can be described as ideal. As always, Baghera/wines offers wines of impeccable quality and unquestionable provenance. These are rare bottles, ready to be tasted, revealing all the secrets accumulated over the past century.

What defines a legendary wine is, notably, its exceptional vintage, its extraordinary aging potential, and its perfect provenance. Kipling #10 brings together wines that all embody these qualities to perfection. The bottles, having been stored for decades in a Parisian cellar, are now being offered to collectors and enthusiasts who will have the chance to taste history.

Michael Ganne, founder of Baghera/wines, comments on this collection: *"Tasting a wine that is over 100 years old is a unique and emotional experience. These rare and living bottles will awaken the senses of all those who taste them in an unforgettable way – they will transport those who choose to keep them into a bygone era. In both cases, the future owners will have the opportunity to touch a chapter of the history of the prestigious French vineyard."*

about baghera/wines, experts in exceptional wines

European leader in rare wine auctions based in Geneva, Baghera/wines offers a new approach to auctions of exceptional vintages by placing conviviality and sharing at the heart of their events. For the past five years, Michael Ganne and the team of passionate experts he has surrounded himself with have developed a bureau dedicated exclusively to rare wines, and which guides collectors in all aspects of enhancing the value of a collection.

In 2018-19, the historic auction of Henri Mayer's personal cellar, to date the world's most important wine auction ever (CHF 34.5M), followed by an unprecedented auction exclusively dedicated to the wines of the Domaine de la Romanée-Conti and then by the final bottles from Domaine René Engel, propelled Baghera/wines to the position of European leader in wine auctions.

The experienced team working with Baghera/wines' experts offers excellent tailor-made professional advice to international collectors passionate about rare fine wines including the organization of masterclasses, as well as careful selection of wines for private tastings, dinners and events combining music and wine. In September 2020, Baghera/wines officially inaugurated its new Geneva establishment, incorporating a private club and boutique dedicated to fine wines, within the Beau-Rivage hotel, Geneva. In October 2022, the company further developed its activities in Asia, with the opening of Baghera/wines Singapore Ltd. The entity began holding physical and online auctions in Singapore from December 2022. In 2023, Baghera/wines France was set up to organize auctions in France, and a second club dedicated to collectors and events was inaugurated in Nuits-Saint-Georges.
