Geneva, May 13, 2025 – Baghera/wines is pleased to announce, Kipling #11 – “*Yours Truly, an auction devoted to the wines of Domaine de la Romanée-Conti*” – a sale dedicated to the legendary Domaine de la Romanée-Conti wines. ## climats de bourgogne

Baghera/wines will shine a spotlight on the *Grands Climats* of Burgundy through its most iconic estate. This confidential and highly selective sale will feature 135 lots, a total of 135 bottles, exclusively from the prestigious Burgundian estate. All bottles come from a single European private collection, meticulously preserved and offering impeccable provenance and traceability. These standards, well known at Baghera/wines, have become its hallmark and a guarantee of absolute authenticity.

Bidders will have the privilege of discovering a remarkable selection of seven *Grands Crus*: *Romanée-Conti*, *La Tâche*, *Richebourg*, *Romanée-Saint-Vivant*, *Grands-Échézeaux*, *Échézeaux* and *Corton*, spanning vintages from 2002 to 2019.

The Kipling #11 – “*Yours Truly*” auction offers a unique opportunity to purchase bottles of rare purity, bearing witness to the excellence of Domaine de la Romanée-Conti and to Baghera/wines’ commitment to providing exceptional experiences for its collectors.

Michael Ganne, founder of Baghera/wines, says of this collection: “*Domaine de la Romanée-Conti embodies the very essence of Burgundian excellence. For any enthusiast, collector, or passionate wine lover, it is a dream to share these iconic wines with those closest to them. Rather than keeping this collection in its original wooden cases – which is often a source of speculation – we have chosen to offer each Climat, bottle by bottle, across 135 lots. This approach gives everyone, whatever their budget, a chance to try their luck and acquire a piece of this legend, with bottles starting at CHF 1,000. We are deeply honoured by the continued trust of our clients, and it is a true privilege for our team to pass this cellar on to fellow wine lovers... And I will be happy to offer a corkscrew with each bottle, if needed!*”

## about baghera/wines, experts in exceptional wines

---

European leader in rare wine auctions based in Geneva, Baghera/wines offers a new approach to auctions of exceptional vintages by placing conviviality and sharing at the heart of their events. For the past five years, Michael Ganne and the team of passionate experts he has surrounded himself with have developed a bureau dedicated exclusively to rare wines, and which guides collectors in all aspects of enhancing the value of a collection.

In 2018-19, the historic auction of Henri Mayer's personal cellar, to date the world's most important wine auction ever (CHF 34.5M), followed by an unprecedented auction exclusively dedicated to the wines of the Domaine de la Romanée-Conti and then by the final bottles from Domaine René Engel, propelled Baghera/wines to the position of European leader in wine auctions.

The experienced team working with Baghera/wines' experts offers excellent tailor-made professional advice to international collectors passionate about rare fine wines including the organization of masterclasses, as well as careful selection of wines for private tastings, dinners and events combining music and wine. In September 2020, Baghera/wines officially inaugurated its new Geneva establishment, incorporating a private club and boutique dedicated to fine wines, within the Beau-Rivage hotel, Geneva. In October 2022, the company further developed its activities in Asia, with the opening of Baghera/wines Singapore Ltd. The entity began holding physical and online auctions in Singapore from December 2022. In 2023, Baghera/wines France was set up to organize auctions in France, and a second club dedicated to collectors and events was inaugurated in Nuits-Saint-Georges.
