store your wines safely

Located in Geneva, in the heart of Europe, Baghera/wines' cellars at the Geneva FreePorts offer its clients the possibility of storing fine wines & spirits either in bond or under Swiss regime (duty-paid) in highly secure vaults with optimal wine cellar conditions (thermal and hygrometric control).

Geneva, a cosmopolitan city located at the heart of the European vineyard, is a prominent centre for the wine trade.

Since opening in 1962, the Geneva FreePorts offer unparalleled service, security and accessibility to Swiss and international wine lovers and wine professionals. With 60 years of wine storage experience, the Geneva FreePorts have earned an international reputation as the safest storage facility in Switzerland... and one of the safest in the whole world.

Contact us at
office@bagherawines.com
to arrange storage for your wine collection.

Storage from 50 chf per month.
