**THE SECOND WINE O'CLOCK WILL TAKE PLACE ON TUESDAY, 19TH APRIL 2016
AT PRECISELY 2:00PM (GENEVA LOCAL TIME), EXCLUSIVELY ON THE
WWW.BAGHERAWINES.AUCTION WEBSITE
AND WILL BE DEDICATED TO SASSICAIA WINE.**

Following the success of the first edition, Baghera/Wines confirms its intention to organise prestigious online wine auctions by scheduling its second Wine o'clock next Tuesday, 19th April, at precisely 2:00pm (Geneva local time).

Baghera/Wines' Wine o'clocks are regular theme-based online auctions of exceptional wines, found exclusively on the dedicated platform, WWW.BAGHERAWINES.AUCTION. The features of this new type of auction: a limited period of time, a single click to win the coveted lot and reverse auctions (with prices going from high to low) for a touch of suspense and excitement.

As Michael Ganne, Executive Director of Baghera/Wines, explains, *"These auctions are held more regularly and are more accessible than physical auctions in auction rooms. They give us the opportunity to present original and brand new selections of rare wines which are nonetheless increasingly sought after by collectors and fine wine lovers throughout the world, such as this exceptional collection of Sassicaia"*.

WINE O'CLOCK NO. 2: 25 SASSICAIA LOTS TO COLLECT

A pioneer of the wines that have been called "Super Tuscans", Sassicaia was born from the passion and devotion of the Marquis Mario Incisa della Rochetta, who realised his ground-breaking dream with panache, by creating a fine wine from Bolgheri, worthy of a Bordeaux Premier Cru.

A close relative of the Bordeaux wines, the Sassicaia wine from Tuscany is characterised by a pronounced taste, with rocky tinges, making it a *must-have* for collectors wishing to complete their cellar with prestigious Italian wines.

25 lots of Sassicaia, 23 of which are bottles and 2 are magnums, composed of 13 different vintages from 1988 to 2003, will be put up for auction at www.bagherawines.auction on 19th April. Coming from a unblemished Swiss cellar, all the bottles, without exception, come in their original packaging, in cartons for those dating from before 1997 and in wooden cases for the 1997 and following vintages.
